Bridge 1+Bridge 2:
  (C#m A2 E Bsus
              C#m A2 E Bsus)
   C#m
    And if our God is for us
  A2
    Then who could ever stop us,
    And if our God is with us
    Then what could stand against?
    And if our God is for us
    Then who could ever stop us,
  Ε
    And if our God is with us
                                    C#m7
                                         A2 E
    Then what could stand against?
  Bsus
                                    C#m7
                                         A2 E Bsus
    What could stand against?
Ending 1+Ending 2:
  (one measure B)
  C#m
    And if our God is for us
  A2
    Then who could ever stop us,
    And if our God is with us
    Then what could stand against?
    And if our God is for us
  A2
    Then who could ever stop us,
    And if our God is with us
                                    C#m7
                                         A2 E
    Then what could stand against?
                                    C#m7
                                         A2 E
    What could stand against?
  Bsus
    None can stand against.
