

My Refuge Be

David Edwards, John Hartley, Margaret Becker, and Russell Mauldin

V1, C, V2, C, C

Verse 1:

All throughout my days I will seek your peace,
Let me hear Your voice singing over me.
When my weary heart drives me to despair,
In the shadows, Lord, let me find You there.

Chorus 1:

Into You, I will hasten; Into You, I will lean.
Light of the world, my only shelter,
King of love, my refuge be.
King of love, my refuge be.

Verse 2:

Friend of broken hearts and all the lost,
I will find my strength in Your precious cross.
And with ev'ry breath that You give to me
May I glorify Your majesty.
